The Free Spirit

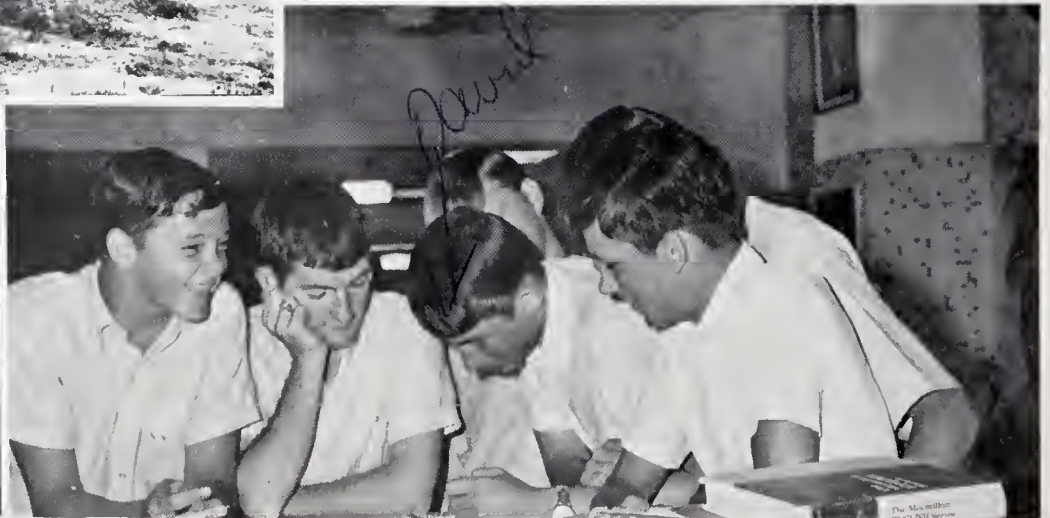

The voice of freedom is heard 'round the world. It frees us and joins us in a never-ending search for success. The Free Spirit is instilled in us at birth. Every person has his own thing that he himself wants to achieve. Nowhere on earth is freedom exercised more than in the United States. The students of today have more to look forward to in life than their fathers.

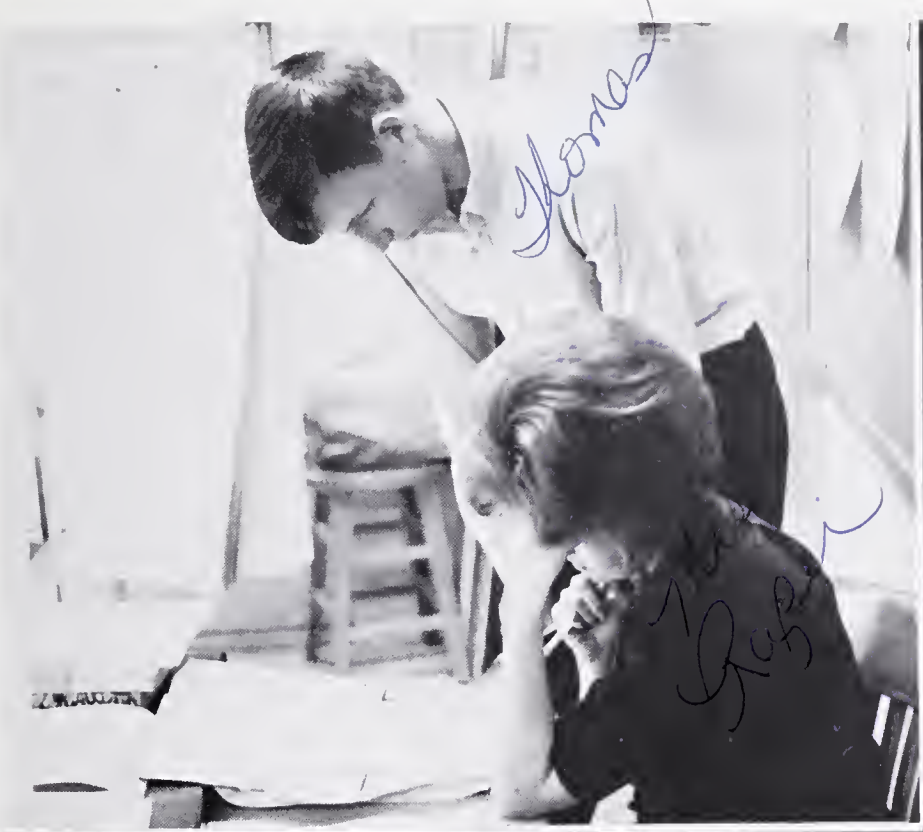

One's true character is shown by his Free Spirit. Everyone must find his place in the game of life and in the search for freedom.

The defense was usually hard-nosed and tough. The defense was led by Collier Aycock, Dennis Parnell, and William Whitley. The quarterback, Don Garris, led the team well. The FALCONS finished with a 7-2-1 record. The FALCONS (second in conference) relied on speed and quickness for their main attack. Tribute must be paid to Coach McClenny and Coach Lewis for leading the FALCONS to success in 1968. The FALCONS closed out the season on a great note by defeating arch-rival Southern Wayne, 35-12, in a game to be remembered by Aycock fans and personnel.

Rebbie,

It sure has been nice knowing you even though it's been for only a short while. Please don't cut your beautiful brown hair. If I knew my hair would look that good, I would die it brown.

Don't fuss at Denise so much because pretty soon you might meet and marry "——"! and she'll want to live in your house that has yellow doors.

Good Luck Always,

I don't know what I'll do if we ever move

tell you and I'm just glad I can trust you.
You've helped me so much with all of my problems
and I'll just never forget you for it. Thank
you so much for helping me make it. I will

Debbie,

Well, Ol Girl, we have known each other for about 15 or 16 years, just 15 for me. Anyway I think it has been some of the best years of my lifetime. We have had a lot of fun with each other and lots of other people. I hope we can go off together once and a while, like that time we went to the hospital and to the movie, remember that movie, sort of tough won't it? Well I do hope we will go to another one together, and maybe with bad luck we can take Kathy.

Debbie, I do hope you get what you want out of the years to come, for instance, the boy you've always been crazy about, I also hope you get the kind of wedding, and wedding dress you've always wanted.

Well, good luck; for years to come. If you're like me you'll need it.

Love Always;
Gail Bass
